

Alex Wiltshire, MBA, BSc

Alex is the Manager of Claims Transformation for Individual Insurance at Manulife. She received her MBA from Wilfrid Laurier University in 2021. A life-long learner and big picture thinker, Alex is interested in strategy, transformation, and change management. She is passionate about building a winning team culture that centres around risk management and positive customer experiences.

“I’ve always had a passion for animals – they have an effortless ability to bring joy and companionship to people. I’m thrilled for the opportunity to work with an organization that advocates for animals and animal-lovers alike. As a Kitchener native currently living in Stratford, the Humane Society is the perfect opportunity to service 2 communities that I love.”
