

## Meet Jan Bockmaster

Jan is a lifelong resident of Kitchener whose career in community relations and marketing gave her an opportunity to foster connections with many organizations and people throughout Waterloo Region. Jan served on many boards and committees, is a graduate of Leadership Waterloo Region and, as a recent retiree, is thrilled to have more time on her hands to support her community.

Since childhood, Jan has had a passion for animal welfare and every home in which she's lived has accommodated more than a few furry-legged creatures.

Jan joined the Humane Society Board of Directors in 2017 and currently chairs the Nominating Committee, and sits on the Development & External Engagement committee and the Strategic Planning taskforce. In her role as Vice President of the Board of Directors, Jan is committed to the service that the HSKWSP provides to its communities through education, advocacy and animal welfare.
