

Meet Jared Doyle

Jared Doyle is a CPA working as the Director, Finance and Administration for McCarter Grespan Lawyers in Kitchener. He moved to the region 5 years ago from Nova Scotia where he worked for a national accounting firm in audit and business advisory services for several years. Working with non-profitable and charitable organizations on a regular basis in an advisory capacity, Jared enjoyed working with dedicated people on improving processes and gaining efficiencies when it came to cash management.

Jared moved to Kitchener from Nova Scotia in 2014 and was drawn to the positive energy and ambition the Humane Society's staff and volunteers show on a daily basis.
