

Shelly Baker

Shelly Baker works as the Director of Advancement Services and Campaign at Wilfrid Laurier University. Her team manages operations, information technology, budgeting, governance, and financial reporting. She is a lawyer with expertise in charitable law and trusts. With over 10 years of management experience in the university sector, Shelly is passionate about organizational excellence. She enjoys giving back and currently volunteers on the Board of Friends of Wilfrid Laurier University Inc. (a US Foundation) and on the Board of the Canadian Council for the Advancement of Education.

Shelly is passionate about animal welfare and is excited to be a part of the Board of The Humane Society.
