

Meet Tyler Graham

Tyler Graham is a partner and portfolio manager at Graham & Frank Wealth Management with RBC Dominion Securities in Stratford, Ontario. Prior to joining the finance world, Tyler attended Indiana State University studying business finance. During his time there, he was a catcher and captain on ISU's baseball team.

Outside of the office, Tyler believes in giving back to the community he grew up in. Over the past few years he has been on the Library Foundation Board, a member of the local Rotaract Chapter, a Big Brother and a baseball coach for a local youth travel team. He currently sits on the Humane Society of Kitchener Waterloo & Stratford Perth board of directors.

For fun, he enjoys spending time as a bee keeper, playing squash, golf, baseball, and spending time with his family.

Quote:

All of my life, I was an "Ace Ventura" type person. At one point, I had 3 ducks, a rabbit and a cat in my house in university. 12 years later I am down to 1 Saint Bernard and 5 beehives but the passion for animals is still intact. Two years ago I was presented an opportunity to put my name forward for a board position with The Humane Society and I immediately jumped at the chance. To help give back to something I believe so strongly in is such a great opportunity and I love that I can help the community that gave so much back to me since day one.
