THE HUMANE SOCIETY OF KITCHENER WATERLOO & STRATFORD PERTH AWARDED ANIMAL CONTROL AND BY-LAW CONTRACT FOR TOWNSHIP OF ZORRA

Stratford, ONTARIO: The Humane Society of Kitchener Waterloo & Stratford Perth (HSKWSP) is pleased to be providing animal control and by-law services to Township of Zorra. In December 2021, the municipality awarded their animal control contract to the humane society and services began January 1, 2022. Services include animal control for dogs, animal by-law and pound services until December 31, 2024.

“We are thrilled to partner with the Township of Zorra to provide residents with animal control and by-law services,” stated Kathrin Delutis, chief executive officer, HSKWSP. “Our team looks forward to spending time in the community helping both people and pets!”

The animal control portion of the contract is specifically geared for dogs, with full services provided on weekdays, and emergency services being provided on evenings, weekends and holidays. For sick or injured domestic animals or wildlife, community members are still welcome to call the humane society to determine if they can provide assistance. For stray cats, the humane society will accept cats as space and resources allow, and the Township would not be involved in the process. They ask that community members call the centre in advance at 519-273-6600. Residents would be responsible for bringing the cat to the humane society and they may have to be placed on a waiting list.

Pets can be reclaimed at the humane society's Stratford location at 125 Griffith Road. Residents can also call 519-745-5615 to inquire about a lost or found pet.
